Alexandria, VA 22313-1450
U.S.A.

Sir:

This is a request for a certificate of correction of an applicant's mistake under 37 CFR 1.323.

The Applicant wishes to change the inventor's mailing addresses in the issued patent with new updated and correct addresses, even though the mailing addresses initially submitted were not incorrect at the time of submission. Please find enclosed a filled certificate of correction form detailing the correction to be performed.

The correction requested is of minor character, does not affect the inventorship of the patent, does not constitute new matter, and would not require reexamination. The Applicant thus submits that the request is in compliance with 37 CFR 1.323.

The Applicant also concurrently provides payment of the fee set forth in §1.20 (a) of \$100.00 to comply with 37 CFR 1.323.

In view of the above, the Applicant kindly asks that this request be treated for a prompt issuance of the certificate.

Respectfully,
